

Landscape is a continuum and character does not in general change abruptly on the ground. The boundaries between Landscape Character Types and Areas should be considered to reflect zones of transition in many cases. The assessment was undertaken at a scale of 1:25000, and should only be used on its own to inform decision making at this scale.

**Key**

- Chelmsford Borough Boundary
- Landscape Character Areas (e.g. A7)
- Landscape Character Area Sub-Unit (e.g. A7a)

**A - River Valley Landscapes**

- A6 - Upper Chelmer River Valley
- A7 - Lower Chelmer River Valley
  - A7a - Lower Chelmer River Valley Floor
- A8 - Can and Wid River Valley

**B - Farmland Plateau Landscapes**

- B15 - Pleshey Farmland Plateau
- B16 - Felsted Farmland Plateau
- B17 - Terling Farmland Plateau
- B20 - Writtle Farmland Plateau
- B21 - Boreham Farmland Plateau
