# Who's Who in your Braintree District Council 2011-15

Braintree District is served by 60 councillors who are elected every four years to direct the work and services provided to over 144,000 people of all ages living in the District.

The Chairman of the Council is the District's 'first citizen' and represents the District in civic events and special occasions.

The elected Members of the Council (councillors) make decisions about local services, based on information and advice from the paid staff of the Council, who then put the decisions into practice.

The map shows all 30 wards in the District, each with one, two or three councillors to represent around 1,500 local voters. It's important to local democracy that councillors should be known and accessible to local people, so that they are in touch with local opinion and needs. Since many councillors have full time jobs, their council work is often undertaken at evenings and weekends.

## Decision makers

Five of the councillors are chosen by their colleagues to take special responsibility for the main local issues. This group is called 'The Cabinet'. Their responsibilities are:

Cllr Graham Butland  
Leader

Cllr Lady Newton  
Enterprise, Housing & Development

Cllr Wendy Schmitt  
Environment

Cllr Joanne Beavis  
Communities

Cllr Chris Siddall  
Efficiency & Resources

## Chairman & Vice Chairman
