Cavity Wall Insulation

(£110 Council Tax Rebate)

Did you know that up to 35% of heat loss in an average home is lost through the walls?

- Cavity wall insulation is a simple solution which could save you £100 - £150 a year on your energy bills
- It will create an even temperature in your home
- Help prevent condensation
- Keeps your home warmer in the winter and cooler in the summer
- Help reduce global warming
- We are offering a scheme to residents to carry out cavity wall insulation at reduced prices with the addition of £110 credit to your council tax bill

Price	Mid terrace/Semi-detached £250*	Detached £275*
Energy Saving	£100 - £150 per year	
Cost recovered	6-12 months in conjunction with council tax rebate	

**All prices are subject to a survey*

If a member of your household is aged 70 or over, or in receipt of certain benefits, you could be entitled to a grant covering the full cost of the works.

**For further information please contact
Wanda Smith or Anna Billings at Braintree
District Council on 01376 551414 Ext 2255
or Ext 2778. beat@braintree.gov.uk**
