To: Councillor S M Walsh

Dear Councillor Walsh

Braintree Local Committee – 14th July 2009
Agenda Item 6a Local Committee – Draft Action Plan on Key Priorities
Appendix 1 – Living Landscape

When the above mentioned matter was discussed, Councillor Mrs Schmitt as Chairman of the Living Landscapes Sub Group requested that the works for the first item regarding three tree planting schemes in Braintree Town Centre should be expedited in order to carry out the work during this years planting season. These are at

- Pierrefitte Way
- Little Square, and
- Bank Street.

At the meeting Members of the Committee indicated their agreement to this and, in view, of the timescales I would appreciate if you can sign this letter for authority for this work to go ahead.

It has also been brought to my attention that the second item under Living Landscapes regarding the coppicing of an area of overgrown hazel in woodland at Marks Farm, Braintree also requires attention in this years planting season. The Landscapes Manager has engaged a contractor to undertake this work in early November and your authority to this work proceeding is required.

At the meeting of Braintree Local Committee on 24th November 2009 members will be asked to endorse both of the above actions.

I should be grateful if you would sign and date the copy of this letter and return it to Eileen Self as soon as possible.

..... Councillor S M Walsh
Chairman of Braintree Local Committee

Date.....

Yours sincerely

for Assistant Chief Executive
