

Environmental *childrens pledge*

Help Care for the World by:

Recycling

- I will recycle as much as I can at home and school.....
- I will take a waste free lunch to school.....
- I will use a re-useable shopping bag

Saving Water

- I will turn the tap off when brushing my teeth
- I will take showers instead of baths
- I will not overfill my bath.....
- I will share my bath water with other members of my family
- I will use the basin plug rather than running the water when I wash

Transport

- I will walk, use public transport, or cycle whenever possible
- I will try to encourage my friends and family to holiday in the UK.....

Energy

- I will wear a jumper rather than turning up the heating.....
- I won't leave things on standby; I will turn off the TV, computer and phone charger when not in use.
- I will encourage my parents to install low energy light bulbs
- I will use rechargeable batteries in my toys.

Environment

- I will reduce the amount of new stuff I buy for example share & swap toys with friends.....
- I will take unwanted toys and games to charity shops
- I will encourage my friends and family to shop for local/seasonal food
