Bra4. Long Almonds Grove (2.2 ha) TL 669336

The centre of this ancient wood has been replanted with conifers and Pedunculate Oak (*Quercus robur*). Taller Oak, Ash (*Fraxinus excelsior*) and planted Poplar (*Populus sp.*) form the surrounding canopy, over Hazel (*Corylus avellana*) and Elm (*Ulmus sp.*). The rather poor flora includes much Dog's Mercury (*Mercurialis perennis*) and Bramble (*Rubus fruticosus* agg).

Selection Criteria: HCr1(a)
