Bra78. "Broom Wood" (2.8 ha) TL 759328

This wood, closely associated with the ancient Runalong Wood, has a canopy of Pedunculate Oak (*Quercus robur*), Ash (*Fraxinus excelsior*), Sweet Chestnut (*Castanea sativa*) and Silver Birch (*Betula pendula*) over Hazel (*Corylus avellana*) and undesirable introduced shrubs. The presence in the canopy of Wild Service Tree (*Sorbus torminalis*) suggests that at least part of the wood may be ancient. The ground cover typically comprises Bramble (*Rubus fruticosus* agg) and Dog's Mercury (*Mercurialis perennis*).

Selection Criteria: HCr2(a), HCr2(b)
