Indices	61
Class/Part Index	61
Alphabetical Index	66

This publication scheme has been prepared using the model publication scheme as prepared and approved by the Information Commissioner.

This publication scheme commits Braintree District Council to make information available to the Public as part of its normal business activities. The information covered is included in the classes of information mentioned below, where the information is held by the Council.

The publication scheme commits the Council:-

- To proactively publish or otherwise make available as a matter of routine, information, including environmental information which is held by the Council and falls within the classifications below.
- To specify the information which is held by the Council and falls within the classifications below.
- To proactively publish or otherwise make available as a matter of routine, information in line with the statements contained within this publication scheme.
- To produce and publish the methods by which the specified information is made routinely available so that it can be easily identified and accessed by members of the public.
- To review and update on a regular basis the information the Council makes available under this scheme.
- To produce a schedule of any fees charged for access to information which is made proactively available.
- To make this publication scheme available to the public.

Classes of Information

- Who we are and what we do
- What we spend and how we spend it
- What our priorities are and how we are doing
- How we make decisions
- Our policies and procedures
- Lists and registers
- The Services we offer

The Classes of information will not generally include:

Information the disclosure of which is prevented by law, or exempt under the Freedom of Information Act, or is otherwise properly considered to be protected from disclosure

Information in draft form

Information that is no longer readily available as it is contained in files that have been placed in archive storage, or is difficult to access for similar reasons.

The method by which information published under this scheme will be made available.

Braintree District Council will indicate clearly to the public what information is covered by this publication scheme and how it can be obtained.

Where it is in the capability of the Council, information will be provided on a website. Where it is impracticable to make information available on a website or when an individual does not wish to access the information by the website, the Council will indicate how information can be obtained by other means and provide it by those means.

In exceptional circumstances some information may be available only by viewing in person. Where this manner is specified, contact details will be provided. An appointment to view the information will be arranged within a reasonable timescale.

Information will be provided in the language in which it is held or in such other languages that is legally required. Where the Council is legally required to translate any information it will do so.

Obligations under disability and discrimination legislation and any other legislation to provide information in other formats will be adhered to when providing information in accordance with this scheme.

Charges which may be made for information published under this scheme.

The purpose of this Publication Scheme is to make the maximum amount of information readily available at minimum inconvenience and cost to the public. Charges made by the Council for routinely published material will be justified and transparent and kept to a minimum.

Material which is published and accessed on a website will be provided free of charge.

Charges may be made for information subject to a charging regime specified by parliament

Charges may be made for actual disbursements incurred such as:

Photocopying.

Postage and packaging.

The cost directly incurred as a result of viewing information.

Charges may also be made for information provided under this scheme where they are legally authorised, they are in all the circumstances, including the general principles of the right to access to information held by public authorities, justified and are in accordance with a published schedule or schedules of fees which is readily available to the public.

If a charge is to be made, confirmation of the payment is due will be given before the information is provided. Payment may be requested prior to provision of the information.

Information not covered by this Publication Scheme - Written requests

Information held by a public authority that is not published under this scheme can be requested in writing, when its provision will be considered in accordance with the provisions of the Freedom of Information Act.

Written requests for information not published in accordance with this scheme should be directed to:-

Information	Braintree District Local Plan Review Adopted 25th July 2005
Description of Information	The current Local Plan, the Braintree District Local Plan Review, was adopted by the Council on 25th July 2005. It provides a framework for the development of the Braintree District. All of the plan, except for 11 policies which expired on 24.7.08, is saved until 2011, or until it is replaced in whole, or part, by the Local Development Framework documents as they are produced
Format	Paper Website - electronic version of the Local Plan has been produced to improve accessibility to the Local Plan document. However the printed version is the official version and takes precedence over the electronic copy in all cases

Weblink	www.braintree.gov.uk/local_plan/plan_index.htm
Frequency of Publication	
Is there a charge?	£65.00 plus £7.50 postage Please also refer to the Planning Departments "Publications for Sale"
Which Department?	Development Services

Information	Medium Term Financial Strategy 2008/09 to 2011/12
Description of Information	Provide a financial expression of the framework set out by the Corporate Strategy. Set out the links between financial plans and other key corporate plans, strategies and business plans. Bring together the key planning assumptions around financial resources and spending pressures. Provide a summary view of financial modelling. Formalise assumptions around the desired level of council tax. Inform the setting of service financial targets. Provide a basis for budget consultations with key stakeholders and the public. Set out the arrangements for managing financial risks in the short and medium term. The strategy comprises a short executive summary addressing the issues set out above plus a number of detailed technical appendices.
