The Local Land Charges (Amendment) Rules 2010

Please note that as from 1st January 2010, there will be an additional fee statutory fee of £11.00 charged.

Therefore the Statutory total of each Personal Search will be £22.00 before any additional CON29R questions are asked.

I hope this is informative enough to prepare you for the card payments in 2010.

Please do not hesitate to contact me in advance if you have any questions on this matter.

Many Thanks
