

Braintree District Community Safety Partnership (CSP) Action Plan 2019-20

CSP Priorities 2019-2020:

1. Tackle the trafficking of drugs in the community
2. Increase confidence in identifying and reporting hidden harms
3. Drive down violence and disorder within the community

These three priorities, along with the core responsibilities of the CSP – to reduce crime and disorder, to reduce re-offending and combating the misuse of drugs, alcohol, and other substances – will form the basis of Braintree CSP's Action Plan 2019-20.

The CSP Action Plan supports the Police and Crime Plan 2016-2020 which sets out the policing priorities and aims for keeping Essex safe:

1. More local, visible and accessible policing
2. Crack down on anti-social behaviour
3. Breaking the cycle of domestic abuse
4. Reverse the trend in serious violence
5. Tackle gangs and organised crime
6. Protecting children and vulnerable people
7. Improve safety on our roads
