1. Introduction

- 1.1 The Planning and Compulsory Purchase Act 2004 requires the Council to prepare a Local Development Scheme (LDS). This sets out the rolling programme for preparation of planning documents that together will form Braintree District's Development Plan. It identifies the key stages in the preparation of the Council's Local Development Plan Documents.
- 1.2 It also sets out what resources will be required in order to ensure that the work will be completed in accordance with the timetable and identifies the risks that could result in delay.
- 1.3 The first LDS was published in September 2005 and the last review was published in May 2018. Progress on the Local Development Scheme has been monitored and the extent to which the milestones identified have been achieved is set out in the Council's Annual Monitoring Reports.
- 1.4 The Braintree Local Development Scheme is therefore a project management document, which informs the public and stakeholders of the planning documents that the Council will produce and the timescale for their production. It includes;
 - A timetable for the production and adoption for all Development Plan Documents within the Local Development Scheme time period (3 years).
 - Identifying background studies and documents, which form the evidence base for the Local Plan.
 - A list of current adopted Supplementary Planning Documents, Material Planning Guidance and Development Briefs.
 - Arrangements for monitoring and review.

2. Planning Context

National Planning Guidance

- 2.1 The National Planning Policy Framework (July 2018) *‘sets out the Government’s planning policies for England and how these should be applied. It provides a framework within which locally-prepared plans for housing and other development can be produced.’* Regarding plan-making, paragraph 15 of the framework describes how *‘the planning system should be genuinely plan-led. Succinct and up-to-date plans should provide a positive vision for the future of each area; a framework for addressing housing needs and other economic, social and environmental priorities; and a platform for local people to shape their surroundings’.*

County Planning Policy

- 2.2 Essex County Council is the authority responsible for production of the Waste and Minerals Local Plans, which form part of the Development Plan. At present the adopted plan for Essex is;
- The Essex Minerals Local Plan (2014)
 - Essex and Southend-on-Sea Waste Local Plan (2017)
- 2.3 More details on the waste and minerals development document can be found on the Essex County Council website www.essex.gov.uk following the links from planning to minerals and waste policy.

Adopted Local Planning Policy

- 2.4 The Development Plan for Braintree District is made up of the Core Strategy, adopted in September 2011 and the Braintree District Local Plan Review, which was adopted in July 2005.
- 2.5 The Braintree District Local Plan Review was adopted in July 2005. In July 2008 the Secretary of State for Communities and Local Government decided that the majority of the Braintree District Local Plan Review policies would remain in force with the exception of the following 11 policies, which have either already been implemented or superseded by more recent Government policy guidance;
- RLP23 Provision for Gypsies and Travelling Showpersons
 - RLP43 Atlas Works Site, Earls Colne
 - RLP57 Freeport Special Policy Area
 - RLP66 Flood Risk in Developed and Urban Areas
 - RLP66 Flood Risk in Undeveloped Areas
 - RLP68 Functional Floodplains
 - RLP130 Indoor Sport and Leisure Site, Braintree Retail Park
 - RLP131 Swimming Pool, Millennium Way, Braintree
 - RLP132 Community Swimming Pool, Ramsey School, Halstead
 - RLP156 Community Uses Site, Colchester Road, Halstead
 - RLP165 Monitoring

2.6 When the Core Strategy was adopted in 2011, it superseded the following additional policies in the Braintree Local Plan Review 2005;

- RLP1 Housing Provision
- RLP5 Affordable Housing in New Developments
- RLP60 Braintree Branch Line Improvement
- RLP61 New Road Schemes
- RLP78 Countryside
- RLP79 Special Landscape Areas
- RLP88 Agricultural land
- RLP110 Retail and Town Centre Development
- RLP111 Retail Development
- RLP137 Open Space Standards
- RLP139 Allotments
- RLP163 Infrastructure and Community Facilities

2.7 It was the intention that the remaining policies in the Local Plan Review 2005 would be used, until they were superseded by the adoption of new policies in the Site Allocations and Development Management Plan Document. The National Planning Practise guidance plan-making section at Paragraph 042, Reference ID: 61-042-20180913 states:

‘Due weight should be given to relevant policies in existing plans according to their consistency with the National Planning Policy Framework. It will be up to the decision-maker to decide the weight to give to the policies.’

2.8 This means that policies in the Core Strategy and remaining policies in the Local Plan Review will have different weight depending on their compatibility with the NPPF and the presumption in favour of sustainable development.

2.9 The NPPF paragraph 48 describes how *‘Local planning authorities may give weight to relevant policies in emerging plans according to:*

- a. The stage of preparation of the emerging plan (the more advanced its preparation, the greater the weight that may be given);*
- b. the extent to which there are unresolved objections to relevant policies (the less significant the unresolved objections, the greater the weight that may be given); and*
- c. the degree of consistency of the relevant policies in the emerging plan to this Framework (the closer the policies in the emerging plan to the policies in the Framework, the greater the weight that may be given).’*

2.10 The Council progressed a Site Allocations and Development Management Plan in 2013/2014 however, this was not submitted for examination and has now been superseded by the Draft Local Plan. Both sections of the Draft Local Plan have been submitted to the Secretary of State. Section 1 of the Plan is currently undergoing public examination and Section 2 of the plan is expected to be examined spring / summer 2020.

3. Local Plan

- 3.1 The Planning and Compulsory Purchase Act 2004 required the preparation of new planning documents to replace the previous planning system. This new suite of documents was part of the Local Development Framework (LDF). However, following the change of government in 2010, a new set of Town and County Planning (Local Planning) (England) Regulations came into force in April 2012 (And amended in November 2012) and these revert to the former terminology of a 'Local Plan'.
- 3.2 The Local Plan will set out how the Council plans for, and makes decisions about, the future of towns, villages and countryside and will set out a strategy for the future development of the District, which is based on a clear and locally distinct vision. This vision will be developed with the involvement of the local community and there should be commitment by all relevant agencies to its delivery.
- 3.3 The Local Plan consists of a number of documents, including Development Plan Documents (DPDs) such as the Local Plan, Supplementary Planning Documents (SPDs), a Local Development Scheme (LDS), the Authorities Monitoring Report (AMR) and a Statement of Community Involvement (SCI). Further details about each document and their progress in Braintree District are given as follows:-

3.4 The Statement of Community Involvement (SCI)

- 3.5 **Purpose:** This document sets out the standards and approach to involving the community and stakeholders in the production of the Local Plan.
- 3.6 **Status:** The last version of the SCI was approved by Full Council on the 23rd September 2013. The Council is currently updating its SCI and is expecting to carry out a public consultation during winter 2018/19.

3.7 The Core Strategy Development Plan Document

- 3.8 **Purpose:** The key document in the Local Development Framework, which sets out the key strategic vision and objectives for the District and contains strategic sites, which are essential to the delivery of the plan.
- 3.9 **Status:** The Council adopted its Core Strategy in September 2011, following examination of soundness by an independent planning inspector. It will be replaced by the Local Plan when approved.

3.10 The Site Allocations and Development Management Plan

- 3.11 **Purpose:** A development plan document, which is in conformity with the Core Strategy. This allocates sites for new housing, employment, retail and other land uses and sets out non-strategic planning policies, by which planning applications are judged, to ensure that they will meet the vision set out in the Core Strategy.

- 3.12 **Status:** The Site Allocations and Development Management Plan was withdrawn on the 30th June 2014. At a Full Council meeting on the 15th September 2014 the Council agreed that the document would be considered as a material consideration in the determination of planning applications. It has now been superseded by the Draft Local Plan.

3.13 Local Plan

- 3.14 **Purpose:** Sets out strategic and non-strategic allocations for land use, and policies for the determination of planning applications.
- 3.15 **Status:** Section 1 of the Draft Local Plan is currently being examined with further hearing sessions expected to take place in autumn 2019. Section 2 of the Draft Local Plan will be examined once the examination for Section 1 has been concluded.

3.16 Strategic Growth Development Plan Document(s)

- 3.17 **Purpose:** For Braintree District these will take the form of area plans for the development of Garden Communities. Each Garden Community; if progressed through the Local Plan process, will require a Plan.
- 3.18 **Status:** The West of Braintree and Colchester Braintree Borders Garden Community Issues and Options Consultations took place during winter 2017/18.

3.19 The Authority Monitoring Report (AMR)

- 3.20 **Purpose:** To set out the principal characteristics of the District and assess progress in preparing Local Development Documents and monitor progress in housing, employment and other development.
- 3.21 **Status:** The AMR is published in December of each year and assesses the year from the 1st of April to the 31st of March. The latest report is available on the council's website.

3.22 Local Development Scheme (LDS)

- 3.23 **Purpose:** A project management document to inform stakeholders of the timetable for production of documents.
- 3.24 **Status:** This LDS will replace the 2018 - 2020 document.

3.25 Supplementary Planning Documents (SPDs)

- 3.26 These are supplementary to the Local Development Documents. Further detail is set out in Section 4.

3.27 Community Infrastructure Levy (CIL) Charging Schedule

- 3.28 **Purpose:** To set out the standard levy which the local authority will be applying to some developments and to define the infrastructure projects, which it is intended to fund.

- 3.29 **Status:** Braintree District Council will consider implementation of the Community Infrastructure Levy if it considers it the best approach to gather developer contributions from new development.

4. Supplementary Documents

- 4.1 Supplementary Planning Documents (SPD's) and other guidance documents can provide further detail on particular policies or local issues. SPD's can take a number of forms, but can normally be broken down into 2 categories;
- Area based including masterplans and development briefs, which deal with specific parcels of land; and
 - Topic based which provide additional information on local issues, or policies, such as design guides.
- 4.2 Although supplementary documents are not subject to examination, they are produced in consultation with the community and other interested parties and are still subject to regulations regarding their consultations. Supplementary documents are not required to be listed within the Local Development Scheme, but it is considered appropriate to inform the public of the Council's proposals to produce new documents.
- 4.3 The Council also has a number of approved planning guidance documents and development briefs. These are documents, which have been either produced or consulted upon by another authority, or whilst the public and stakeholders have been involved in their production have not undergone the same strict levels of consultation as is required for an SPD.
- 4.4 A list of the current adopted SPD's, guidance and development briefs are included in the table below;

5. Neighbourhood Planning

- 5.1 The Localism Act 2011 introduced neighbourhood developments plans which help communities with or without Parish or Town Councils to establish general planning policies for the development and use of land in a neighbourhood. Once 'made', these plans will form part of the statutory development plan for the area and will be used in the determination of planning applications.
- 5.2 The first stage of developing a neighbourhood plan is to designate a neighbourhood area. The District has agreed 10 Neighbourhood Areas. Other parish councils are considering developing a neighbourhood plan.
- 5.3 Once a neighbourhood area has been agreed preparation of a neighbourhood plan can be carried out by a parish or town council or in the case of unparished areas a neighbourhood forum.

Area	Stage

 - Essex Biodiversity Action Plan 2011
 - Essex Local Transport Plan 2011
 - Essex Minerals Local Plan 2014
 - Essex and Southend-on-Sea Waste Local Plan 2017

7. Monitoring and Review

Monitoring

- 7.1 The LDS and the development plan documents that it includes will be monitored on an annual basis, in the Monitoring Report with a reporting period of 1st April – 31st March.
- 7.2 Each year the report will set out;
- How the Council is performing against the timescales set out within the previous year's Local Development Scheme.
 - Provide information on housing and employment completions and land availability.
 - Provides a housing trajectory and shows the Council's 5 year supply of housing land.
 - Any required update to the Local Development Scheme as appropriate.
- 7.3 The Local Plan programme will be managed through the Sustainable Development Service reporting to the Cabinet Member for Planning and Housing and the Local Plan Sub-Committee. This will include considering progress on the preparation of Local Development Documents and identifying action to be taken if there are variations from the project programme.

Review

- 7.4 Following the initial adoption of each Local Plan as set out in the Local Development Scheme, it is anticipated that any subsequent reviews will be in the form of a rolling programme. Reviews may also be necessary as a result of changes in national guidance, as an outcome of the monitoring in the Monitoring Report, or pressures for development or regeneration.

8. Resources and Risk

Resources

- 8.1 The Local Plan process will be led by the Planning Policy team, part of the Sustainable Development Service at Braintree District Council.
- 8.2 The timetable contained within this document is based on using the full resources of the Planning Policy team at the Council, which consists of a team manager who will be responsible for the overall project, planning policy officers, technical and administration staff. The Council will also be working with other partners including neighbouring authorities on specific DPDs.
- 8.3 Additional resources, particularly to provide specialist input on various technical matters will be sought from time to time as required from other teams within the Council including Housing Policy and Economic Development, and other organisations including Essex County Council and the Highways Agency. In addition, external consultants may be commissioned to develop elements of the evidence base, or supplementary planning documents.

Risk

- 8.4 There are several factors which may impact on the achievement of this timetable. The table below considers and deals with the main risks.

Issue	Level of Risk	Impact and Mitigation
Delays to the production of background studies	Medium	Would delay the preparation of development plan documents. The resources for any further studies should be in place to ensure they are commissioned at an early stage
Changes to national guidance in relation to Braintree. The new NPPF was published July 2018. The Government is currently consulting on changes to planning policy and guidance	Medium	Could delay the preparation of development plan documents or require an early review of those documents already produced. Review the time table for the preparation and review of documents within the Annual Monitoring Report and review of the LDS if necessary.
Supporting Neighbourhood Planning	Medium	Staff time and other resources being diverted to support neighbourhood planning. Resource and timetable planning with neighbourhood plan groups needed.
Problems or difficulties engaging with stakeholders and the community	Low	May delay the preparation of development plan documents. Ensure stakeholders and the community are involved at an early stage of the process, as outlined in the Statement of Community Involvement. Lack of agreement with other Local Authorities regarding the duty to co-operates. Need to maintain a close working relationship with neighbouring authorities.

Inability of the Planning Inspectorate to deliver hearings/ reports to the timetable.	Medium	Would delay the adoption of development plan documents. Agree early with the Planning Inspectorate that the timetable laid out for each document is acceptable. If slippage occurs this should be identified in the Monitoring Report and amendments made to the timetable.
Insufficient staff resources due to staff turnover or volume of work greater than anticipated	Medium	Would delay the production of development plan documents. Consider use of consultants if financial resources allow. Revise timetable for the production of documents through the Monitoring Report and review of the LDS if necessary.
Government New Homes Bonus, neighbourhood planning funds insufficient or no longer available.	Medium	Would delay the production of evidence base and development plan documents which need specialist advice from consultants. Increased budget bids may need to be made if Government New Homes Bonus or neighbourhood planning funds are insufficient or no longer available. Revise timetable for the preparation of documents through the annual monitoring report and review of the LDS if necessary.
Local Plan is found unsound	Low	Would delay the adoption of development plan documents as they would need further work and then resubmission. Undertake self-soundness test and maintain a close working relationship with key stakeholders.
