

Braintree District Council  
Section 257 - Town and Country Planning Act 1990  
Part of Footpath 4 Gestingthorpe & Part of Footpath 19 Castle Hedingham  
Public Path Diversion Order 2024

Note accompanying the Confirmation of the Public Path Diversion Order

This note does not form part of the Order or the public notices.

The above order refers to the Planning Permission 20/02053/FUL. This planning permission enables the Council to make the Order under Section 257 of the Town and Country Planning Act 1990.

The Order in its first paragraph refers to the description of the development permitted under the planning permission reference 20/02053/FUL including the address. In this description there is a typographic error referring to the *Listed Building “at” Parkgate Farm*. This should be *Listed Buildings “**opposite**” Parkgate Farm*.

All planning documents relating to the planning permission can be viewed on the Council's website.

This typographical error does not materially affect the provisions of the Order. The error in the address for the planning permission, does not relate to the descriptions of the lengths of the footpaths to be diverted and the alternative footpaths created.

No objections were received during the statutory consultation period and the Council is satisfied that the Order is unopposed and can be confirmed as such.

Kim Mayo  
Head of Governance
