What do our current apprentices think?

"I love how many opportunities I've had since becoming an apprentice at Braintree District Council. My colleagues are so supportive and always allow me to try new things. I always feel my work and contribution to the team is valued." **Molly - Social Researcher Apprentice**

"I like working at Braintree District Council as my colleagues are always supportive and willing to help me learn new skills. Since working at Braintree District Council, I have had so many amazing opportunities and even been able to conquer some of my fears such as public speaking." **Imogen - Customer Service Apprentice**

"I feel extremely welcome and valued in my team. Braintree District Council has been highly supportive, providing me with every opportunity to develop and progress my career." **Bradley - Data Analyst Apprentice**

"It has been a great joy to join Braintree District Council as a Housing Apprentice. I am truly thankful for the opportunity and humbled by the confidence my line manager has in me. My colleagues have made me feel so valued and appreciated. There are so many apprenticeship opportunities." **Josett - Housing Apprentice**

"Learning through an apprenticeship gives me the ability to apply my learning on a day-to-day basis, whilst gaining experience in the field. My colleagues are always supportive and able to answer any questions I have." **James - Accounting Apprentice**
